PROFILE

A highly teachable and dedicated fourth-year Information Technology student specializing in UI/UX design and front-end development at the University of Science and Technology of Southern Philippines - CDO. Passionate about crafting user-centered designs, designing intuitive interfaces, and creating seamless, functional user experiences. Skilled in translating ideas into visually appealing and responsive designs. I aspire to secure a position in the tech industry after graduation, where I can further enhance my skills and contribute to innovative projects.

SOFT SKILLS

- Collaboration
- Communication
- Adaptability
- Problem-solving skills
- Creativity
- Presentation

HARD SKILLS

- **Typing Skill**
- **Programming** (Python, Java)
